Have your say on Rotorua's future direction

Rotorua residents are being given the chance to help shape the future direction of their district. Rotorua District Council chief executive Peter Guerin said the purpose of the survey was to make sure the council understood the aspirations of Rotorua communities. "Before we can start thinking about the council's future contribution, we need to be clear about where we are heading as a district. This is why we need people's input," Mr Guerin said. To have your say, fill in the online survey at www.myrotorua.com.
